

The following information will help to make your Library Educational Enrichment Program *fun* and *functional*:

ESSENTIAL INFORMATION

- **AUTHOR'S REQUIREMENTS:**

- ✓ In terms of equipment, PaleoJoe will need the following:
 - 1 Table (6' or 8')
 - A bottle of water would be nice! ☺
- ✓ PaleoJoe will also need time to set up, and time/space to sign books – a small (adult sized) table would be fine. If your Library has difficulty providing any of these items, please let us know right away.

Please note: If you have any concerns or tricky situations, we will try our best to be as flexible as possible to accommodate your needs as well.

- **TO MAKE THE PROGRAM FUN FOR ALL:**

- ✓ It would be wonderful if the students could create a welcome sign for the author, or maybe even put up lots of dinosaur/paleontology/science-related pictures and/or books and stories around the Library!
- ✓ Feel free to take pictures during the presentation. Any copies you can mail or e-mail to us would be greatly appreciated. We may use them in our newsletters or on our website, as the children love revisiting their presentation in this way.

INVOICING

- **FOR ALL PRESENTATION FEES:** Payment is due in full on the day of the presentation.

Please make all checks payable to Joseph Kchodl

Again, thank you so much for your patronage. PaleoJoe is very proud to be able to help libraries educate the children of today...because they will become the leaders and visionaries of tomorrow!

If you have any questions, please contact:
